

§230.135c shall not be deemed to constitute general solicitation or general advertising for purposes of this section.

(d) *Limitations on resale.* Except as provided in §230.504(b)(1), securities acquired in a transaction under Regulation D shall have the status of securities acquired in a transaction under section 4(2) of the Act and cannot be resold without registration under the Act or an exemption therefrom. The issuer shall exercise reasonable care to assure that the purchasers of the securities are not underwriters within the meaning of section 2(11) of the Act, which reasonable care may be demonstrated by the following:

(1) Reasonable inquiry to determine if the purchaser is acquiring the securities for himself or for other persons;

(2) Written disclosure to each purchaser prior to sale that the securities have not been registered under the Act and, therefore, cannot be resold unless they are registered under the Act or unless an exemption from registration is available; and

(3) Placement of a legend on the certificate or other document that evidences the securities stating that the securities have not been registered under the Act and setting forth or referring to the restrictions on transferability and sale of the securities.

While taking these actions will establish the requisite reasonable care, it is not the exclusive method to demonstrate such care. Other actions by the issuer may satisfy this provision. In addition, §230.502(b)(2)(vii) requires the delivery of written disclosure of the limitations on resale to investors in certain instances.
